1st Asian Bloc Online Seminar for Instructors and Shihan 2021

Hosted by I.K.G.A. Asian Bloc

Cohosted by Japan Karatedo Gojukai Association (J.K.G.A.)

Date: 26th December 2021

Greetings

It is going to be the first time for IKGA Asian Bloc to organize an online seminar. The situations may vary depending on where you are but I understand many of us are having a hard time teaching Karate in the period of COVID-19. So this time I would like to overcome this physical barriers by using technology for us to train Gojuryu Karate together online.

I set the requirement for participating in this seminar to be instructors and Shihan this time but I would like to consider having a larger seminar in the future and also would like to consider having a country in Asian Continent to host.

I will be appreciated if you can use this opportunity to deepen engagement between instructors and Shihan from IKGA and JKGA. I am looking forward to seeing you online in the seminar.

Gohei Yamaguchi
